**FAMILIES INVITED TO FIRST 5 CALIFORNIA'S FREE  
'HANDS-ON HEALTH' EXHIBIT AT OUR SECOND HOME**

**WHAT:** Families with children ages 0 to 5 are encouraged to visit First 5 California's **free** "Hands-On Health" exhibit, featuring games, storytelling, music and many more learning activities to increase awareness about the crucial importance of children's healthy development.

**WHEN:** **Thursday, September 28, 2006**  
10 a.m. – 2 p.m.

**WHERE:** **Our Second Home**  
725 Price Street  
Daly City, CA 94014

**BACKGROUND:** First 5 California's "Hands-On Health" van is touring the state to educate California children and families about the importance of maintaining a healthy lifestyle. Research shows that a child's brain develops most dramatically in the first five years and what parents and caregivers do during these years to support their child's growth and healthy development will have a lasting impact in the years to come.
